

TPI ENTERPRISES LTD

Genuine Leaders in Poppy Production

Secure your future with TPI

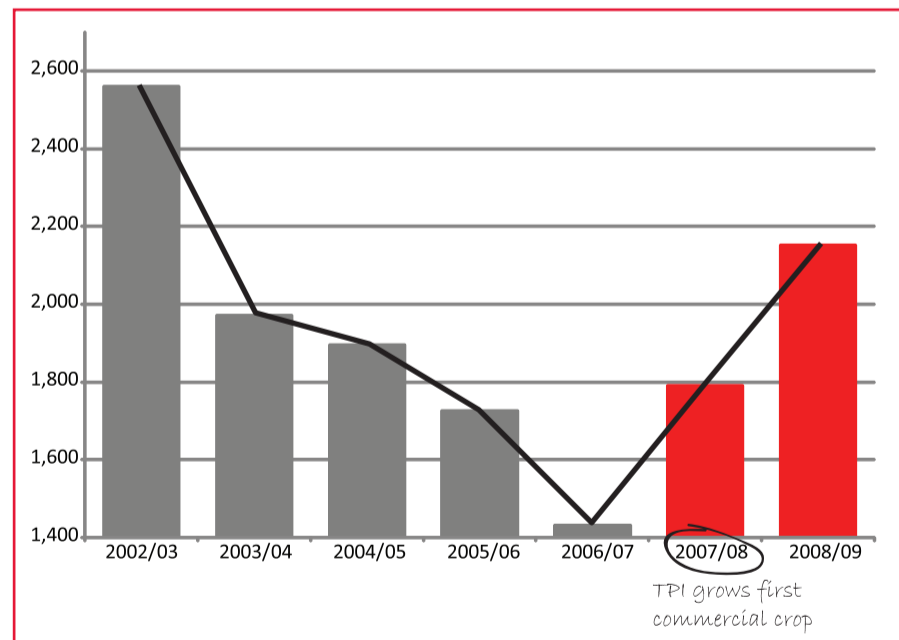

In 2008, TPI continues to lead the way in price increases for poppy growers. TPI raised prices for the 2007 Growing Season by 25%. This was the first price increase offered to poppy growers in 5 years.

TPI is currently contracting 3,500 hectares for the 2008 Growing Season.

This year TPI offers:

- 1) Guaranteed \$2000 per tonne, up to 2.3% assay
- 2) 20% increase on 2007 pay scale, after 2.3% assay
- 3) Fungicide and herbicide payment
- 4) Easy to understand advertising!

TPI is committed to the future of the Tasmanian Poppy Industry. We are proud to be the only Australian owned poppy processor, bringing vision and innovation to the industry.
